

URGENT FOR VISA APPLICANTS

The Department of State's Bureau of Consular Affairs is currently experiencing technical problems with our visa systems. This issue is not specific to any particular country, citizenship document, or visa category. We apologize for the inconvenience and are working urgently to correct the problem and restore full operability.

Applications for a U.S. visa made after June 8, 2015, are affected by this delay. Nonimmigrant visa applicants who submitted their DS-160 online application after June 8, 2015, should use the visa appointment system at <https://ais.usvisa-info.com/en-mk/niv> to reschedule their interview appointments. Individuals with urgent travel should contact us at consularskopje@state.gov.

If you have questions about whether you should reschedule your interview, or about the status of an application, please contact us at consularskopje@state.gov.
